March 2010

**Guidelines for submission of papers
to be published in the IPI newsletter
“Electronic International Fertilizer Correspondent (e-ifc)”**

The International Potash Institute (IPI) welcomes authors to contribute research papers focusing on the nutrient potassium.

Below please find simple guidelines for submission of papers:

- Paper: to be prepared in MS Word (max. approx. 2,500 words, plus tables and figures)
- Page Setup: two columns (Format/Columns/Two)
- Font: Times New Roman, size 10
- Tables: use MS Word format, in the text
- Figures: all figures to be submitted in MS Excel format
- Pictures: pictures should be at a size of at least KB 500

All papers submitted and accepted for publication undergo the process of editing and will be published subject to the approval of the author.

Please send the paper to ipi@ipipotash.org.

We look forward to receiving your contribution.

With kind regards,

Hillel Magen
Director
